Dear sir,

I hope this letter finds you in the best of health. This is to bring to your notice that I filed an eRTI request using the KP RTI Commission's eRTI portal on 18 September 2017. The requested information and the receipt of the eRTI are attached with this letter.

There has been no response from on the request since September. The time stipulated for information provision in the Khyber Pakhtunkhwa Right to Information Act 2013 has expired. I request you to please help me in getting the information. Copy of the original RTI request is also attached with this letter.

Thank you in advance.

Sincerely,
